### **Budget**

#### Physical training – the help of a PT

Coach Shaun informs about the purpose of the physical training held on Mondays. On some occasions, an external personal trainer has held these training sessions. In addition to the expert knowledge, the advantage is that it is good that the guys get to hear a different voice. These sessions are very appreciated by both the players and parents.

The cost for 24 sessions is about SEK 27,000. The desire to jointly finance this through sales activities in order not to burden individual players with an increased cost.

Everyone present appreciates the physical training and thinks it is good with professional help, only the cost that there are some thoughts about.

It was decided that a vote should be taken on the cost. The vote will be sent out in the joint WhatsUp group. You can vote for two options. Please place your vote as soon as possible!

There is a desire to get started with sales activities to build up a common cash register. More about this will come further down under the item planned sales activities in 2024.

### **Planned activities Spring 2024**

#### Eskilstuna Cup April 26-28

This Cup will be held in Eskilstuna. Given that the team doesn't sleep anymore (which would cost about 1400 SEK/child), parents need to drive back and forth to Eskilstuna (takes about 1 hour and 30 minutes) during the days in question. The cost of participating in this Cup is 4500 SEK / team that is registered.

We won't know the game times until it gets closer. Can be early morning and late evening with a long wait in between.

In order for the team to be able to participate, it will be necessary ;

- Parents who are willing to drive and jointly help and be responsible for the boys who participate.
- Expression of interest over how many people want to participate in the cup – to see is two teams needed or is one team enough.

A vote will be taken on whether or not you can participate and what opportunities there are from adults to drive and assist with taking care of the participants.

The hope is that several adults can help each other so that they may be able to distribute the responsibility and get one day each.

#### Baskethop open 9 – 12 May

There is no cost to participate in exchange for the team being given tasks during the cup that the parents will need to help with.

#### Drafts to play matches

The coaches base the selection for matches on attendance statistics at all training sessions and on how the composition of players fits. They try to make sure that everyone gets to play, but it may be that everyone will not always be selected to games.

8 children will be called to each game. The invitations will be sent out via the sports admin where a response is required no later than Thursday 17:00 before the game day. No response in sports admin = no game play. Only those who are called up for the game will play. You are always welcome to cheer on your team mates but please respect that you cannot expect to play if you have not been called or if you have failed to respond to an invitation via the sports admin

This selection process has been communicated previously. This is merely a reminder of what is jointly decided.

#### **Sales activities 2024**

The following activities are suggested;

- Toilet paper – February
- Easter Eggs – March
- Coffee – May
- Socks – September
- Christmas flowers/candles – October
- Bingolotter for Christmas

In the sales activities, everyone is expected to contribute with efforts to sell. More information will come from the parents' association on an ongoing basis.

### Sponsorship

There is information about different sponsorship packages on the team's website. Together, we help the team to find possible sponsors by asking different companies (such as your employer), family and friends if sponsorship can be a possibility.

### **Cafeteria 3 Feb 2024**

Due to increased responsibilities/work on February 3, 2024, we will need to call in the entire team to handle everything needed.

We will also try to arrange baking to sell to the team fund. More information about this will be published separately.
